Statistical Report

for the

Season 2001 - 2002

Prepared by John Reynolds(Registration Secretary)

BRISTOL & DISTRICT TABLE TENNIS LEAGUE

STATISTICAL REPORT FOR SEASON 2001 - 2002

Now endeth my first season at the helm of Registration Secretary and the reports have been put to bed. Towards the end of April, for some reason or another, there were still over a hundred results outstanding. I can now understand the frustration and telephone bills that Ken Watts incurred over the long period of his tenure in this post.

Hopefully I have gained enough experience this year to lighten the load next season (If re-elected that is !) Although it is very time consuming preparing weekly reports for scores, leagues and averages I trust from the feedback I have received that players appreciate the constant update. My thanks to Ricky Jemmott for putting the reports on the Website and his corrections to my data from time to time.

There were an incredible number of postponements during the season (I gave up counting after 150 but there must have been close to 200). This naturally leads to congestion and delay in sending in results at the end of the season which makes my job much more difficult. The Executive Committee are addressing this problem in an attempt to improve the situation.

ROLL OF HONOUR SEASON 2001 - 2002

Division	Winners	Runners Up
Premier	Failand 'A'	Knowle & Brislington 'A'
1	Nailsea Tigers	Robinson 'A'
2	Knowle & Brislington 'C'	Winterbourne 'A'
3	Frys Creams	Cleeve & Claverham Rattlers
4	Almonds 'E'	Almonds 'D'
5	Portishead 'F'	BAWA Olympus
6	Almonds 'F'	Fromside 'D'
7	St Pauls	Westbury 'E'

I have set out some of the more interesting statistics for the season but perhaps a special mention should go to Almonds 'A' who despite playing more than half the season fielding only two players finished fourth in the Premier Division. What could they achieve if they fielded a full team every week ?

Failand 'A' in the Premier Division were the only team in the League to go through the season with a 100% record and were the highest set scorers. Knowle 'A' were the only other team to reach the 200 club.

Southmead Merlins and Stokedene 'C' in Division 6 were, fortunately for me, the only teams to tie on sets in promotion or relegation positions. The decision as to which one dropped to Division 7 went to games won. They drew both their matches with each other but Merlins won sixteen games more than Stokedene.

The greatest number of walkovers and teams not fielding a full side was in the Premier Division where statistically they have the greatest call on reserves.

AVERAGES

The highest average in the League was recorded by Rhys Morgan of Knowle 'C' . His 96.88% contributed greatly to their Division 2 title. This was only marginally better than Locksley Byfield of St Pauls at 96.77%.

Mention should be made of Gary Baldwin (95.89%) topping the Premier Division averages, only losing three from seventy-three sets. Natasha Lake (Knowle 'B') and Emma Hurling (Failand 'A') made sure that the Premier wasn't male dominated.

Pete Galea only dropped two sets in sixty-four in Division 3. Graham Kettle four in seventy-seven in Division 4 Steve Doidge three from seventy-two

In Division 6 Ron Beynon was unbeaten after forty-one sets when heart surgery intervened. I understand that he is well on the road to recovery and should be taking his place at the table next season.

Locksley Byfield and Ray Sefia of St Pauls only lost six sets between them as they took the Division 7 title

It is only through atrocious luck and a small lack of ability that the Registration Secretary failed to feature above !

Finally, my apologies for any errors or omissions as the data is only checked by myself, and not all that well at that. Please don't shoot the compiler, take his senility into account. Don't ring me with corrections, it's too late.

TABLE TENNIS PLAYERS COMMANDMENTS

- 1 Thou shalt not covet anothers average
- 2 Thou shalt apologise for nets and edges without showing your delight

- 5 Thou shalt shake hands at the end of the set as if you mean it.
- 6 Thou shalt read the Handbook and make yourself aware of the rules therein.

- 10 Thou shalt remember that the umpire is only human and is never wrong !
