END OF SEASON STATISTICAL REPORT

BRISTOL & DISTRICT TABLE TENNIS ASSOCIATION

Annual report for the season 2007 – 2008

I have now completed my seventh year as your Registration Secretary and reference to my comments at the end of the 2001-2002 season are still apposite.

Very little has changed, the accuracy of the score sheets, the number of postponements and the overrun of match fixtures in great numbers. I have now learned not to expect great changes for the forthcoming season.

The honours this year were spread more widely (eleven different Clubs) which is good for the game.

ROLL OF HONOUR SEASON 2007-2008

Division	Winners	Runners up
Premier	Filton Brigands	Nailsea Panthers
1	Almonds C	Nailsea Ocelots
2	Filton Stokedene	Cleeve Rattlers
3	Westbury D	Civil Service Gladiators
4	Civil Service Raiders	Portishead C
5	Knowle E	Almonds G
6	Nailsea Jaguars	Civil Service Ninjas
7	Southmead Merlins	Terra (ICI)
8	Portishead G	Page G

Some interesting facts;-

No team finished the season unbeaten.

The most successful Club was Civil Service with three honours from seven teams.

Failand A, in the Premier Division played sixteen of their twenty-two matches without a full team and finished sixth.

Portishead G in Division 8 finished with the highest set average of 7.36

Martin Gunn managed to appear in five different divisions

Eight positions were tied, six were decided on sets against each other (Rule 31) and two went down to games won against other.

Filton with the inclusion of the Academy have become the largest Club in the League and have the greatest number of players (54)

No player playing at least half the matches remained unbeaten. John Ratajczak (Civil Service Raiders) had the best result winning 52 from 53 sets for an average of 98.11%. John Ruderham (Almonds F) won 49 from 50 for an average of 98.00%

Len Weston (Terra) ICI was unbeaten in twenty-seven sets and Zhiru Zheng (Filton Typhoons) unbeaten in thirty sets.

Statistics

I hope that the weekly published details continue to be of interest to you, as will the end of season Stats Report which is on sale at £1.00 (a good read to see if you feature somewhere!).

Sam Bird of Nailsea failed to complete his seventh (minimum) consecutive year of 100% appearances

Score Sheets

There was no improvement in accuracy and I will be whistling in the wind yet again if I have another moan. Neatness is something else. I suggest the filling in of the sheet is delegated to the neatest writer. For some unknown reason the lower divisions submitted the neatest score sheets.

Postponed matches

During the season there has been (as usual) an inordinate number of postponements and usually they are not played until the end of the season. Apart from giving me a headache chasing them up, several voices have inferred that it is being used where the best team is not available and by using this ploy they can wait until the end of the season to see how critical those matches are.

Nowadays with the inclusion of four Cup weeks and a two week Christmas break there is the opportunity to get the postponed matches played much earlier.

The Executive Committee will be taking a much stronger position on postponements next season and Rules 21 to 25 will be strictly enforced.

Walkovers

There were twelve walkovers this season, six of them being in the last four weeks. It would appear that if a Club is not involved in promotion or relegation or perhaps is already relegated there is a tendency for them to grant a walkover rather than make the effort to play the match.

Such concessions can have a critical affect upon the other clubs in the division. There have been examples this season where both promotion and relegation positions have been influenced by concessions.

The Executive committee are aware that the effect of a 10–0 walkover is too big a penalty for other clubs to suffer and has tried to address the situation without much success. We shall be asking the membership to consider what options there are to make a walkover result fairer to all.

Finally

Owing to a change of job, John Hodson will be retiring from table tennis and being the website manager for the League data at the end of the season. John has been an invaluable aid to me. I send him all the data each week and he has been entering it on a slightly different system which enables us to check the results and leagues independently. Each week I dread receiving an e-mail from him with a couple of queries, but it works.

I am sure you have appreciated his efforts and thank him and wish him well for the future.
