ROLL OF HONOUR SEASON 2008 - 2009

SEASON 2008 - 2009

END OF SEASON STATISTICAL REPORT

**PREPARED BY REGISTRATION SECRETARY
JOHN R REYNOLDS**

BRISTOL & DISTRICT TABLE TENNIS ASSOCIATION

Annual report for the season 2008 – 2009

I have now completed my eighth year as your Registration Secretary and reference to my comments at the end of the 2001-2002 season are still apposite.

Very little has changed, the accuracy of the score sheets, the number of postponements and the overrun of match fixtures in great numbers. I have now learned not to expect great changes for the forthcoming season.

The honours this year were spread more widely (eleven different Clubs) which is good for the game.

ROLL OF HONOUR SEASON 2008-2009

Division	Winners	Runners up
Premier	Filton Academy	Nailsea Panthers
1	Filton Hercules	Civil Service Nomads
2	KCC A	Failand C
3	Civil Service Raiders	Portishead C
4	Civil Service Saracens	Nailsea Pumas
5	Frys Longwell	Cleeve Pythons
6	AVSPOL	Frys Boost
7	Frys Mints	Knowle F
8	Page Turners	Fromeside D

Some interesting facts:-

Only one team finished the season 100%, Civil Service Raiders, who won division 4 last season. Understandingly they had the largest winning margin 34 sets.

The most successful Club was Frys with three honours from four teams.

Page Headlines in Division 1 who refused to accept their suffix and always wrote Page A played fifteen of their twenty matches without a full team and not surprisingly were relegated.

Page Flickers unfortunate handwriting threw up undesirable results.

Brian Pearson of Portishead must have had a difficult season trying to monitor which players were playing for which team. He, himself, played for four different teams as did Phil Turner of Page.

Six positions were tied; all of them were decided on sets against each other (Rule 31)

Nailsea and Filton including the Academy have become the largest Clubs in the League, Filton having the greatest number of players (42)

No player playing at least half the matches remained unbeaten. Marcus Berry (Civil Service Saracens) had the best average, 97.44% winning 38 from 39 sets. Jin Luo (Filton Olympus) won 58 from 62 sets for an average of 93.55%

A special mention must be made of Gary Luchman of Civil Service who turned up as the lone player on five occasions.

The penmanship of Phil Turner of Page Turners was a pleasure to behold and was consistently streets better than any other submissions. I shall be most pleased if they play all their matches at home next season.

Statistics

I hope that the weekly published details continue to be of interest to you, as will the end of season Stats Report which is on sale at £1.00 (a good read to see if you feature somewhere!).

Score Sheets

There was no improvement in accuracy and I will be whistling in the wind yet again if I have another moan. Neatness is something else. I suggest the filling in of the sheet is delegated to the neatest writer. For some unknown reason the lower divisions submitted the neatest score sheets.

Postponed matches

Even with the stricter control of postponements there was the usual last last minute scramble for results and walk overs. In fairness there were fewer matches played in the extended period thanks to Rick Jemmott;s input.

The Executive Committee will continue to take a firm line regarding postponements next season and Rules 21 to 25 will be strictly enforced.

Walkovers

There were fourteen walkovers this season. It would appear that if a Club is not involved in promotion or relegation or perhaps is already relegated there is a tendency for them to grant a walkover rather than make the effort to play the match.

Such concessions can have a critical affect upon the other clubs in the division. There have been examples this season where both promotion and relegation positions have been influenced by concessions.

Three divisions had no walkovers (Premier, Division 5, Division 6) Division 8 had the worst record with five walkovers. Divisions 2 and 4 had two and Division 3 had three.

Finally

Rick Jemmott has been extremely busy at work this season and will be handing over to Andy Boucher who has stepped forward to act as my fail safe, monitor the postponements and run the web site next season

I am sure you have appreciated Rick's efforts and join me in thanking him and wish him less pressure in his work and more time to enjoy his life.

I look forward to receiving your neat accurate score sheets next season!
