

BDTTL AGM 2024 – Press Officer Report

Another plentiful year on the press front...

Press Reports

Press Reports were issued for every playing week of the season and for the tournament and presentation events. Extremely well covered in the local press with virtually 100% hit rate in the Essex Chronicle and Maldon & Burnham Standard plus occasional coverage in the Burnham and South Woodham Focus magazines. We also had weekly coverage in the Essex County Table Tennis and England Table Tennis websites. The full reports are also circulated via our own web and Facebook pages – edited versions are more common in the press, and they don't always take our more colloquial pun-based headlines!

Taylor is crowned Burnham's MVP

All the Burnham & Essex Table Tennis League players took to the courts to celebrate the season's end. The MVP award was presented to Taylor, who was crowned Burnham's MVP. Duncan dropped only two matches over the season.

Cup cheer for 'B' team

It was an all-Gold Norton affair as the Burnham and Essex Table Tennis League presented the trophy to the B team captain, Gold Norton C. The B team captain, Gold Norton C, had already handed over several rounds to make the final... The B team captain, Gold Norton C, had already handed over several rounds to make the final...
