FOREWORD

2016 WTTG

A warm welcome to another season of Derby Table Tennis after a close season in which we lost our much valued President Tony Chatwin.

Your Committee; members of whom are shown on pages 4 and 5 has undergone slight changes from last season in that Graham Hesketh and Richard Dryden are now General Secretary and Fixtures Secretary respectively having taken over from Aubrey Henry who will still help us with the Junior League. Graham will also look after the Walter Reeves Trophy. Dave Wood has joined the Committee and will help look after the Junior League at Derby Arena.

We still need a Committee Secretary to take the Minutes and a Press Officer; if you know of anyone please let me know.

One of the first tasks of the new Committee has been reshaping the Divisions following an overall and disappointing loss of 5 teams down to 45. It may be that the Short Format Leagues of 2 players are gaining momentum and this is something your Committee will be looking at this season.

As you will see from the centre pages the Derby Closed will now be run on 2 Sundays in 2019; 6th January and 24th March with so many events allocated to each day.

We again held our "End of Season Social Evening and Presentations" at Derby University but with I am sorry to say a reduced attendance. It seems we may need to change the format to attract a larger audience and nearer the time we will outline what the evening will comprise on our website.

The AGM will take place on Wednesday May 15th so put that in your diary NOW.

Have a good season and please help us if you can with our events.

25. EQUIPMENT

- a. ALL players must use rackets, the surface of which shall be as stated in Table Tennis England Rule 44 and be of a brand and type currently authorised by the ITTF. A racket cannot be changed during an individual match unless it is accidentally damaged so badly that it cannot be used.

At the start time each team must have one player available for continuous play in accordance with the sequence laid down in Rule 18 (b) unless changes to this sequence are agreed by both captains. The playing facilities shall be available for a minimum of three hours.
- b. In the event of a team's late arrival or non-availability of the playing facilities which may result in the match commencing later than the specified time, the waiting team captain may inform the 'late' team captain that in the event of the match being unfinished due to the

venue restriction times, the 'late' team will forfeit the outstanding unplayed matches.

27. PLAYING FACILITIES

- a. All clubs shall provide suitable accommodation and lighting for all matches. The home team shall provide a new ball for the start of every match.
- b. A new club joining the Association and having its headquarters outside a 5 mile radius of the City Centre, or an existing club relocating its headquarters, shall provide the League Secretary with a suitable map clearly showing the location. SERVICE RULE

The Table Tennis England Service Rule is reproduced below in response to a number of complaints your Committee have received about foul serving. Please abide by this rule as paragraph **2.6.6.1** below gives the umpire the opportunity to query the legality of a service.

- 2.6.1** Service shall start with the ball resting freely on the open palm of the server's stationary free hand.
- 2.6.2** The server shall then project the ball near vertically upwards, without imparting spin, so that it rises at least 16cm after leaving the palm of the free hand and then falls without touching anything before being struck.
- 2.6.3** As the ball is falling the server shall strike it so that it touches first his court and then, after passing over or around the net assembly, touches directly the receiver's court; in doubles, the ball shall touch successively the right half court of server and receiver.
- 2.6.4** From the start of service until it is struck, the ball shall be above the level of the playing surface and behind the server's end line, and it shall not be hidden from the receiver by the server or his doubles partner or by anything they wear or carry.
- 2.6.5** As soon as the ball has been projected, the server's free arm and hand shall be removed from the area between the ball and the net.
- 2.6.6** It is the responsibility of the player to serve so that the umpire or the assistant umpire can be satisfied that he complies with the requirements of the law and either may decide that a service is illegal.
 - 2.6.6.1** If either the umpire or the assistant umpire is not sure about the legality of a service he may, on the first occasion in a match, interrupt play and warn the server, but any subsequent service by that player or his doubles partner which is not clearly legal shall be considered incorrect.
- 2.6.7** Exceptionally, the umpire may relax the requirements for a good service where he is satisfied that compliance is prevented by physical disability.
