

Here's where it all began

Taken from *Kent Times and Chronicle* 8.2.1902

The popular game of Table Tennis has "taken" in Maidstone most thoroughly, as proved by the numerous entries for the tournament commenced in the Corn Exchange in October 1902. The first open event of its kind played in the town. Organised by local tennis player and sportsman Mr T.H.Oyler a farmer from Hollingbourne the event attracted 60 Players.

Google "T.H.Oyler Table Tennis" for the whole story.

The information in this booklet has been mainly lifted from the booklet produced for the year 2000 dinner organised by Barry Skate's committee. After 2010 it has not been easy to collate information, with the introduction of computer systems and the demise of handbooks much information has gone missing. The league has used several computer systems which have been lost but hopefully the system now run by TTE will enable records to be centrally stored for future generations.

Barry Skates and Bruce Benge have put in many hours retrieving as much information as possible. We hope this booklet will have bought back some fond memories.

Maidstone & District Table Tennis Association

Celebrating 100 years

1919 - 2019

Introduction & Welcome

This is a very special occasion for the M&DTTA as only 3 other league have a history longer than ours. Your committee felt that the occasion should be celebrated by bringing as many past and present members together for an evening of entertainment.

We are honoured to have Sandra Deaton – Chairman TTE with us this evening as our special guest.

During the evening two world class players who will play an exhibition match and take on challenges from some of our Maidstone champions.

You will hopefully be amazed by the magic of one of our past members Magic Martin as he wanders round the tables.

Les Hart has put together a video that will be playing before, during and after dinner with memories of past and present members. There are photo reminiscences from tournaments, the 2000 dinner and video memories from the 90th anniversary hog roast organised by Julie Hall.

We hope the you have a wonderful evening with lots of stories of past matches won and lost, but most important of all meeting up again with friends made across the table over the years.

My thanks go to all the committee for their help in organising this event, but particularly to Bruce Bengé who has worked and negotiated with the Mercure Great Danes to bring you this evening which we hope you will all enjoy. Adrian Hall—Chairman & Secretary M&DTTA.

Table Tennis is the only sport still keeping up the Maidstone / Beauvais twinning relationship. Every year Maidstone hold fund raising events to subsidise the matches, travel and hosting for the annual matches. Long lasting friendships have developed over the years. I hope it has been possible for some of our friends from Beauvais to be with us this evening.
