

## ADMIN SECRETARY'S REPORT, 2023/24

Once again for the 10<sup>th</sup> time I give you my report. It is fair to say that this has not been the best of season both on and off the table!! I do not wish to dwell on something that we all know and have our own thoughts about that particular situation.

The Committee have met and discussed the way ahead several times during a stop-start season and it is thanks to all the players co-operation we were able to complete a very trying season.

We held the Closed Championships over two weeks and I must thank Stephen Jones and the rest of the committee and players with their help when I could not carry out all my duties to run the event.

All the committee members deserve a vote of thanks for their time and commitment to the league this past season.

I now come to my own position in Perth Table Tennis; after 10 years as your Admin Secretary, I feel the time is right for me to step down; I know that I have not done as well in this position as I should have done; fresh blood is required here!! I must thank all my fellow committee members for their valued support during this season; In Peter, Gary, Stephen, Pat and Chairman Jonathan there is the strong basis for an excellent committee to run the Perth league in the future.

Best wishes and many thanks to you all.

Ian McLagan Admin Secretary, June 2024.
