National 1* U15s Cadet Tournament E.I.S 06.10.24 Liam Dugan (Hallam Grange) and I are running an official National 1 Star Under 15yr old Cadet Tournament. - Exciting Stuff!

This will be played at EIS on Sunday 6th Oct 2024 Approx 0830-1600hrs (latest). It will be a TTE ranked competition, which means wherever you end up on the day, you will receive National ranking points. Obviously, the more tournaments and competitions that you play in, the better the chances of your rankings increasing going forward. (Entrants must be born 2010 or later - TTE rules).

We aim to have an exciting and fun event that may enthuse some of the juniors. It is open Nationally so there will be keen cadets from all over chasing ranking points. We aim to publicise this locally to Barnsley and Rotherham juniors too.

The format will be maximum of 32 entrants. 8 tables of play and to start with 8 groups of 4 players to start with in round robin format Top 2 from each group go through to one ladder, Winners playing winners and losers playing losers to get to positions 1-16 Lower 2 from each group go through and play for places 17-32. (as above) If full capacity, then then all players should play 7 matches. Best of 5 sets up to 11. Cost for entry is £25 per player Entrants must be registered with TTE to compete (Approx £11 we think). Lots of TTE info on application form. Can book online in the first instance and then get TTE registration later.

Winner - £50 / Runner Up £20.
