Safety Instructions: Children below 14 years should not assemble the table. When lowering each half of the table top, make sure that the outer legs P5 are pulled gently outwards from the underside of the table, so far as they can go. Failure to do this may result in injury or damage to the table. This table is suitable for indoor use. It can be used outdoors provided that it is not exposed to direct sunlight rain or frost. It should always be stored indoors. Make sure that the wheel brakes are off when moving the table and are on when the table is stored or in the play position.
