

Home Countries Isle of Man.

Table Tennis Welsh Veterans Society update 5th March 2022.

At a meeting of the countries council members took place on 27th February 2022 the following details were discussed:

- Venue for 2022 is the Isle Of Man Sport Centre located in Douglas;
- Date of event is 9th-11th of September 2022;
- Wales competitors will need to book a room from the evening of 8th.
- First matches start at 9 am on the 9th and it is forecasted to be completed on the 11th at 4pm.
- There is no package hotel available and all coordinators need to make their own hotel arrangements.
- A bus will pick players up from various locations on Douglas promenade every day of the event;
- The evening meal is priced at £30.00 is likely to be a carvery;
- The hotel for the evening meal is the Palace Hotel;
- Wales will be entering teams into the event by the end of April 2022 for the playing schedule to be finalised with B teams if required.
- Hotels at the moment are working out at: Double room with breakfast £50 per person a single room £85.00 with breakfast. But prices may rise so early booking suggested.

I have worked out a budget price so potential interested players can decide if they wish to compete as follows:

- 4 nights double room = £200.00.
- Evening Meal = £30.00.
- As of today a direct flight cost is about £150-£200 from London plus parking £100 for the limited time in IOM.
- If you wish to fly from Bristol and can stay longer then the flight is £54.00 but leaves on the 7th and returns on the 12th.
- Ferry cost £240 from Liverpool at the moment is.

So a budget on at least £400 - £450 per person based on a twin room, more if you require a single. So please be clear on the potential cost when you speak with people.

Can you pass on all interested names and age groups by 10th April please to me at eadessteve@hotmail.com.

Any questions please call me.
