CUP RULES (New in 2023/24): Each team match consists of 9 individual matches each of two games (up to 21). Games start at the difference between the two players' handicaps with the low handicap player starting at 0. For example, if +14 plays +2, the match will start at 12-0; if +10 plays -5, the match starts at 15-0; and if +10 plays +10, the match starts at 0-0. Note that, in the first example, the first player to serve would have only 3 services and thereafter, service will change at every 5-point multiple. Points achieved by each player are added to the running total. Should the final result be a draw, the last 2 players will play 1 game to decide the winner.
