Dear Member,

The League is now entering its 75th year and thankfully we continue to grow. The Premier Division now has 9 teams with the addition of the Rhubarb Crumble team. In the First Division we now have 10 teams with the addition of another Junior team 5 Star 'C' , Ramblers 'B' and Musketeers from Kings Lynn.

Our general membership is also growing and with Associate and League players we now have 175 members which just shows that Table Tennis to survive needs a dedicated centre to play from.

It is also pleasing to see that our Junior section is on the increase with Steve Goodale coaching 2 sessions on Saturday mornings. Mark Spinks continues to coach the Seniors.

With the Cup competitions the Challenge Cup and the Sleight Doubles Handicap will be played by each division. The Parker Shield Handicap will be played within each division to finalist stage and the final will be across the two divisions.

Remember it is your club and with your help and support we can both improve and grow the club onto better and greater things in the future.

We are always looking for more committee members to help keep the club going in the right direction. Join us !!!!

Thank you all for your continued support.

Yours sincerely

Chris Gay
