

Thank you to all of the team secretaries and players for the work carried out during the 2022-23 season, and for getting through all of the fixtures.

Thanks also to Gregor Ksiazek for providing invaluable support in managing handicaps / ratings for the season, and for putting out the weekly updates to Facebook & Twitter.

It was good to see a few extra teams this year, and to see some good, strong competition across all of the competitions.

The full details of the League standings, matches played, top players (and all player statistics) are available on the website. Below is a limited picture of the outcomes for the Leagues across the season.

Thank you to all of the team secretaries and players for making 2022-23 a successful and enjoyable season. Congratulations to every team who won a competition; League or Cup, and to every other team for making the whole experience as good as it could be.

On a personal note, I’d like to thank everyone over the last 11 years I’ve been in Aberdeen and involved in Table Tennis, and the last 6 or 7 seasons I’ve been the ADTTA Match Secretary. I’ve immensely enjoyed the experience of playing competitive Table Tennis over that time, and to have had the privilege of working with the ADTTA committee to organise, develop and improve (we hope) the Table Tennis experience for all of you!

Please be kind to your new Match Secretary, and work with him to keep everything running smoothly! This does not mean you need to do him any favours when you’re facing him across the TT table 😊
