1. CHAIRMANS MESSAGE

The last eighteen months without our beloved table tennis has been a sad time and I know that people have really missed the social side of it. So it just goes to show how table tennis is especially good for your mental well being, and it's great that we are back playing.

We at Child Okeford have recruited three new players, who are really keen to play in the league matches, and we have managed to create four teams.

Covid is still with us so don't turn up to play if you feel unwell, use the sanitizer provided and keep a safe distance where possible.

Keith

15. TEAM HANDICAP CUP RULES

1. Each fixture shall be the best of 9 matches.
2. Each match will simply count as 1 point, whether the result is 3-0, 3-1 or 3-2.
3. The first team to 5 points is the winner.
4. Each match shall be the best of 5 games, with the first player to win 3 games being the winner (and gaining the point for their team).
5. Each match shall be the best of 5 games, with the first player to win 3 games being the winner (and gaining the point for their team).
6. Every player will be allocated a ranking letter by the organiser which determines the relative strength of the players. The two players in each match shall refer to the handicapping chart to see what handicap applies to their particular match.
7. The handicap is applied separately to each game between the two players and is added to the weaker player's score before the start of each game. For example, if the handicap is "4" then the weaker player starts each game in that match at a score of 4-0.
8. The first player to 11 points wins the game – there are no "deuces". 11-10 wins.

The handicapping chart is below:

Higher ranked player letter	A	B	C	D	E	F	G	H	I
A	0	4	5	6	7	8	8	9	9
B		0	4	5	6	7	8	8	9
C			0	3	4	6	7	8	9
D				0	3	4	6	7	8
E					0	3	4	6	8
F						0	3	4	7
G							0	4	6
H								0	4
I									0

As an example, a player ranked “B” plays a player ranked “F”. Reading along row “B” until you reach column “F” gives a handicap of “7”, so the player ranked “F” will begin each game against this opponent with a 7-0 start.

As their second match, the player ranked “B” plays someone else in the opposing team, ranked “E”, so they begin each game against this opponent at with a 6-0 start. Etc.

16. TOURNAMENT RULES

1. To qualify for any tournament, team or individual, a player must have played at least one-third of the scheduled league fixtures by 31st December. Exceptions will be at the Committee's discretion. In a handicap event any player not so qualifying must play off scratch, unless a handicap can be established from previous participation in the League.
2. In the team handicap cup, only players qualified by 31st December will be eligible to play. Exceptions will be at the Committee's discretion.
