

## CDTTL AGM 2022: Divisional Secretary's Report

- Over the past six seasons, the number of Clubs entering teams in the CDTTL has dropped from fourteen to nine, with the withdrawal of Rawreth, Liberal, Bocking, Felsted and ARU. However the number of teams in the adult divisions has remained high due to an influx of players from the Chelmsford Junior League (CJL) and from our social Bat&Chat sessions at CSAC. Twentyfive players from the junior divisions played in the adult divisions, six Bat&Chat players joined teams in Division 5, and forty League players took part in Bat&Chat sessions.
- The number of players taking part in the Junior League dropped significantly due to players moving on to the adult divisions and the withdrawal of Danbury, West Maldon and OCA teams.

	No of Clubs	No of Adult teams	No of Junior teams
2016-17	14	50	8
2017-18	14	48	18
2018-19	12	50	21
2019-20	11	53	24, 29
2020-21	-	-	-
2021-22	9	47	17, 15

- The five adult divisions each had 9 or 10 teams, and the CJL divisions had 5 or 6 teams. In the CJL, problems were caused by teams failing to turn up for away matches; scorecards being posted on WhatsApp rather than the League email account; Clubs running out of players due to an over-optimistic number of teams being entered; and fixtures being rearranged on an informal basis.
