Summer League Rules:

1 A fixture will consist of 9 matches.

2 Each match will consist of 2 games - 21 up - no deuce.

3 A game handicap will be applied to each game result.

4 The game handicap is calculated as the difference between the two players indiviudal handicaps.

5 The maximum game handicap to be applied to any game is 15.

6 Two points will be awarded to the player winning each game won after applying the game handicap.

7 A point will be awarded to both players if the game score is a tie after applying the game handicap.

8 One bonus point will be awarded to the player winning the combined score of the two games after applying the game handicaps.

9 No bonus points will be awarded if the combined score is a tie after applying the game handicaps.
