Dear Member,

The League is now entering its 76th year and again we continue to grow stronger. The Premier Division now has 10 teams with the new addition of the Eagles 2 team and promoted Warlords. In the First Division we now have 12 teams with the addition of DNA and Vikings plus two new teams formed from our Associate members, The Mondays & The Monday Bunch.

Our general membership is also growing and with Associate and League players we now have 210 members which just shows that Table Tennis to survive needs a dedicated centre.

It is also pleasing to see that our Junior section is on the increase with Steve Goodale coaching 2 sessions on Saturday mornings. Mark Spinks continues to coach the Seniors.

With the Cup competitions the Sleight Doubles in the Premier will be a straight knockout with no handicaps. The Cups will stay within each division so there won't be a final between the 2 divisions in the Parker Shield this season.

Remember it is your club and with your help and support we can both improve and grow the club onto better and greater things in the future.

We are always looking for more committee members to help keep the club going in the right direction. Join us !!!!

Thank you all for your continued support.

Yours sincerely

Chris Gay
